TOTAL ALL CLASSES ALL DIVISIONS

221

TABULATING RESULTS

Scoring for all classes and divisions is 2 points per race, with an extra 1/4 point for the sweep (no losses or ties). Races ending

Placements in round robin racing are determined by highest points. Placements in single elimination racing (Open 3 only) are added to placements from round robin racing, with lowest to highest earning first through eighth place.

Ties for placement settled 2-way by (1) points earned head-to-head racing, (2) fastest time head to head and then (3) fastest time of tournament. All other ties settled fastest time of tournament.
